Kjære kunde

Vi har prøvd å sette sammen en katalog hvor kunden skal kunne få et innblikk i hvilke varer vi fører.

Om De ikke finner produktet De er ute etter i katalogen, så ta kontakt. Vi fører langt mer enn de produktene vi har satt av plass til i katalogen.

Arbeidet med katalogen vil fortsette, så gi gjerne en tilbakemelding om De finner feil, eller ser ting De mener vi burde gjort annerledes.

Vi legger også ut et eksemplar av katalogen på våre hjemmesider, denne vil bli oppdatert med jevne mellomrom:
